

## Oklahoma Polo & Equestrian Club

Broad Acres Polo Club is home to the OPEC and is located off West Highway 9 - the same exit as Riverwind Casino. Directions are as follows:

Take Highway 9 West one mile to Santa Fe (the road sign right past the green John Deere sign). Turn North (right) on Santa Fe. Follow till you see the Broad Acres Polo Club gate straight ahead and go through. After entering through the gate, the road to the right leads to the office – the office is on the left. **All students must sign in to the office and state their business prior to going to the polo barn.** Follow along the polo fields around the left curve and at the fork keep right. You will see the stables on the right.
